## Getting started is as easy as 1, 2, 3.

- 1** Visit [HOA.com/impact](https://www.hoa.com/impact) and print three of the “We’ve Been Booed” signs to share with others.
- 2** Secretly deliver your “We’ve Been Booed” signs along with a sweet treat or goodie to a neighbor, friend or family member. Just place it on their doorstep and try to avoid cameras so they have no idea who just Booed them.
- 3** Watch the joy spread through your neighborhood as people start posting their We’ve Been Booed signs from house to house.
